Floor, we have two Supplemental Calendars on their way where -- where roll calls will be necessary. So if you will please come to the Floor. First on the list will be Senator Weaver, Senator Bowles, Senator Sieben, Senator Klemm. Senator Weaver, on House Bill 2733.

SENATOR WEAVER:

Thank you, Madam President. I would move to not recede from Senate Amendment No. 1 on House Bill 2733 and ask for a conference committee.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Weaver moves that the Senate refuse to recede from the adoption of Senate Amendment No. 1 to House Bill 2733 and that a conference committee be appointed. All those in favor, say Aye. Opposed, Nay. The Ayes have it. And the motion carries, and the Secretary shall so inform the House. Again, I will caution the Members: We are going to final action. Senator Syverson, for what purpose do you rise?

SENATOR SYVERSON:

Just a point of personal privilege, Madam President.

PRESIDING OFFICER: (SENATOR DONAHUE)

Please state your point.

SENATOR SYVERSON:

Would -- would it be asking the Chair too much if we had Senator Bowles give us that same smile that she gave in the paper? Some of us didn't get a chance to see that. We'd like to see that again. Yeah, that's it. That's the one.

PRESIDING OFFICER: (SENATOR DONAHUE)

On page 2 of Supplemental Calendar No. 2 is House Bill 1278. Madam Secretary, do you have on file a conference committee report on House Bill 1278?

ACTING SECRETARY HAWKER:

Yes. First Conference Committee Report on House Bill 1278.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Bowles.

SENATOR BOWLES:

Thank you, Madam President, Members of the Senate. I would move to -- that the Senate approve the First Conference Committee

Report on Senate -- on House Bill 1278.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there discussion? Senator Hawkinson.

SENATOR HAWKINSON:

Only a request that the sponsors tell us what's in the report.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Bowles.

SENATOR BOWLES:

It -- I'm sorry. Could I postpone that -- a response to that question, since I don't have a copy of the Conference Report in hand?

PRESIDING OFFICER: (SENATOR DONAHUE)

Out of the record, Senator. Oh. She's got -- just a second. Senator Bowles.

SENATOR BOWLES:

House Bill 1278, as amended, it replaces lines 23 through 25 with the following definitive identifications of controlled substances: methyl benzyl ketone, phenylacetone, or whatever it is, phenyl-2-propanone and -- that's about the only one I know - pseudoephedrine or any of, and it goes on. It identifies specifically for purposes of determining that there is an intent to -- to make methamphetamine.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there further discussion? Is there further discussion? Seeing none, Senator -- the question is, shall the Senate adopt the Conference Committee Report on House Bill 1278. And this is final action. Those in favor will vote Aye. Opposed, Nay. And

the voting's open. Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 57 Ayes, 2 Nays, none voting Present. The Senate does accept -- does adopt the Conference Committee Report on House Bill 1278, and the bill, having received the required constitutional majority, is declared passed. Senator Sieben, on Senate Bill 73. Madam Secretary, do you have on file a conference committee report?

ACTING SECRETARY HAWKER:

Yes. First Conference Committee Report on Senate Bill 73.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Sieben.

SENATOR SIEBEN:

Thank you, Madam President. Senate Bill 73 left the Senate as a shell bill, and in the House, they added an amendment dealing with the Department of Agriculture and the use of local police officers, sheriffs, mayors and other town officials to enforce provisions of the Meat and Poultry Inspection Act. That portion of their amendment was found objectionable to many parties. So what we've done with the Conference Committee Report is to remove those provisions dealing with granting of police powers. Now the only thing that's left in the bill would be the language that

provides the exemption to farmers who slaughter or process poultry, raising that level from one thousand animals to five thousand animals. And I would move for the adoption of this Conference Committee Report.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there discussion? Is there discussion? Seeing none, the question is, shall the Senate adopt the Conference Committee Report on Senate Bill 73. Those in favor will vote Aye. Opposed, Nay. And the voting's open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 58 Ayes, no Nays, none voting Present.

The Senate does adopt the Conference Committee Report on Senate Bill 73, and the bill, having received the required constitutional majority, is declared passed. Senator Klemm. Madam Secretary, do you have on file a conference committee report on Senate Bill 171?

ACTING SECRETARY HAWKER:

Yes. First Conference Committee Report on Senate Bill 171.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Klemm.

SENATOR KLEMM:

Thank you, Madam President. Conference Committee Report on Senate Bill 171 does several things. Actually we -- the House recedes from House Amendment No. 1 and the Senate changes and replaces the lines 14 to 30. And what it really does is it allows non-home rule municipalities of a hundred and thirty thousand or fewer inhabitants to be able to allow the chief of police to appoint a deputy chief. And if the police department has fewer than twenty-five full-time police officers, they can appoint one deputy position, and if they have more than twenty-five, they can appoint up to two. The position has to be -- would be exempt, and it would have to be from those that were working for that department for five years. If, in fact, their rank does change, they would go back to the rank they had before. This is an agreement that was worked out with the FOP and the Police Chiefs Association. It's agreed. There's no opposition. I do ask for your concurrence and support on Conference Committee Report No. 1.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there discussion? Senator Lauzen.

SENATOR LAUZEN:

Just a couple of questions for the sponsor.

PRESIDING OFFICER: (SENATOR DONAHUE)

He indicates he'll yield, Senator Lauzen.

SENATOR LAUZEN:

SENATE TRANSCRIPT

Senator, does this cover fire departments?

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Klemm.

SENATOR KLEMM:

No, they've been removed, at their request.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Lauzen.

SENATOR LAUZEN:

And then, will this generally drive up the cost of local government or keep it the same?

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Klemm.

SENATOR KLEMM:

Well, let's see, probably it would cost a little bit more if you pay the sergeant or whoever it is the salary of a deputy chief. I think it would add a little bit to that salary, but it gives them that rank and that authority to represent the municipality in the police department. It is being done now, but they call it administrative assistants or something like that, and they give them salary increases for that position. So I don't know if it really actually increases it or not.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there further discussion? Is there further discussion?

Senator Klemm, to close.

SENATOR KLEMM:

Just ask for a favorable vote.

PRESIDING OFFICER: (SENATOR DONAHUE)

ACTING SECRETARY HAWKER:

First Conference Committee Report on Senate Bill 242.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Cullerton.

SENATOR CULLERTON:

Yes. Thank you, Madam President, Members of the Senate. When this bill passed the Senate 58 to nothing, we had put an amendment on, Senate Amendment No. 1, to modify the bill, and it -- it was improperly drafted. So one of the things that this conference committee does is to correct the amendment. The -- the bill created the remedy of suing to enforce compliance when a condominium developer fails to deliver statutorily required assets and information to the board of managers. As I said, we put an amendment on at the request of the -- I believe it was the Home

associations, boards of managers and individual unit owners, apart from those that are developer-related, from any liability to third parties arising from the developer's delays in providing delivery -- providing statutorily required assets and information to the board of managers. So with that, I would ask for your support. The bar associations are in support of the -- the bill. Be happy to answer any questions.

Provided it's adopted, Senate Resolution 140, copies of it are to be sent to the Speaker of the House, the President of the U.S. Senate, the President of the United States, the Illinois Congressional Delegation and the governing boards of Temple's University, the University of Pennsylvania and the University of Michigan, which is where the authors come from, and the Board of Higher Education is requested to share a copy with each governing

Hopefully, by getting a lot of input from affected folks, we can come up with a plan that's acceptable to everyone.

PRESIDING OFFICER: (SENATOR DONAHUE)

Further discussion? Senator Lauzen. Turn your light on.

SENATOR LAUZEN:

I would just make an observation that for this to be a fair representative task force, that we should have the folks who are receiving the garbage into their counties and communities. They must be represented or else the study just shouldn't be accepted as valid. Thanks.

I would ask for favorable consideration.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there discussion? Is there discussion? Seeing none, the question is, shall the Senate adopt Senate Resolution 156. Those in favor will say Aye. Opposed, Nay. The Ayes have it, and the resolution is adopted. Senator Radogno, on Senate Joint Resolution 39. Madam Secretary, read the resolution.

PRESIDING OFFICER: (SENATOR DONAHUE)

Senator Radogno.

SENATOR RADOGNO:

Thank you, Madam President. This resolution simply encourages Congress to reauthorize the Older Americans Act this year. Currently it's extended on a year-to-year basis.

PRESIDING OFFICER: (SENATOR DONAHUE)

Is there discussion? Is there discussion? Seeing none, all those in favor, say Aye. Opposed, Nay. The Ayes have it, and the resolution is adopted.

PRESIDING OFFICER: (SENATOR WATSON)

We are on Supplemental Calendar No. 3. Secretary's Desk, Resolutions. In the middle of the Calendar on page 2 is Senate Resolution 146. Senator Donahue, do you wish the resolution to be considered? Madam Secretary, please read the resolution.

ACTING SECRETARY HAWKER:

Senate Resolution 146, offered by Senator Donahue.
There are no committee or Floor amendments reported.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Donahue.

SENATOR DONAHUE:

Thank you very much, Mr. President. Senate Resolution 146 creates -- or, requests from the Department of Public Health to create a Special Committee on (the) Access and Availability of Emergency Medical Services in Rural Illinois, and the committee shall identify all ambulance providers located in a rural area by service regions and review and analyze the impact of funding, training, regulations and licensing on the access and availability of emergency medical services. We've been having some access problems and some sort of serious situation in some of our areas, and I would simply ask for your support of this resolution.

Is there any discussion? Is there any discussion? Senator Donahue moves the adoption of Senate Resolution 146. Those in favor, say Aye. Actually, we need a roll call. Those in favor, vote Aye. Opposed, vote No. The voting is open. Have all voted who wish? Have all voted who wish? Have all voted who wish? Take the record. On that question, there are 58 voting Yes, no voting No, no voting Present. Senate Resolution 146, having received the required constitutional majority, is adopted. We are now going to move to Senate Calendar -- Supplemental Calendar No. 4. Supplemental Calendar No. 4. There is only one item on to that Calendar and that is House Bill 1812. This is final action. Madam Secretary, please read the motion.

ACTING SECRETARY HAWKER:

I move to recede from Senate Amendments 1 and 2 to House Bill 1812.

Motion filed by Senator Lauzen.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Lauzen.

SENATOR LAUZEN:

Let's see. I just -- these Senate amendments were the -- the

-- let's see, the -- see, the issue was that we should have protection on the Internet for our children, the filtering devices. That was not accepted over in the House, and we'll bring that back in its own -- on its own bill at a future date. And I do appreciate the support that it received in the Senate, but I don't want to hurt the underlying bill that came from the House.

PRESIDING OFFICER: (SENATOR WATSON)

Any discussion? Senator Demuzio.

SENATOR DEMUZIO:

Well, Mr. President, I think everybody ought to take a look at this. This deals with explicit sexual materials. Senate Amendments 1 and 2 that we are attempting to recede from, No. 1

20

says that -- it defines explicit sexual materials and the provision in this bill that said that the Board shall require a school that provides public access computer to equip the computer with software that seeks to prevent minors from gaining access to explicit sexual materials or obtain Internet connectivity from an Internet service provider, et cetera, et cetera. We put this amendment on in the Senate, and I wouldn't want anybody to feel that because of the fact that we took affirmative action with

respect to this amendment, that by receding from this amendment and by doing so with a record vote, that somehow or other the Members are not in favor of what they did in the beginning with respect to -- to minors and explicit sexual materials. So I would rise, myself, in opposition to the motion to recede.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Lauzen.

SENATOR LAUZEN:

I would just like to respond that I'll look forward to Senator Demuzio's, perhaps, cosponsorship as we bring that back at an appropriate time on its own vehicle or mechanism. I certainly feel as strongly, even more strongly, in the...

PRESIDING OFFICER: (SENATOR WATSON)

Actually, Senator, he didn't ask a question. Let -- let's proceed. Senator Welch. Senator Demuzio.

SENATOR DEMUZIO:

Well, why don't you just leave this bill where it is, find another vehicle, instead of putting all these Members through the action of receding from this type of a -- of a topic? All this is is an -- is an election issue, and nobody wants to be caught receding from an amendment that is doing something about trying to prohibit youngsters from getting explicit materials -- sexual materials on computers at school. I think you ought to leave this amendment alone. You ought to leave this bill alone and find

something else. I'm not prepared to support this.

PRESIDING OFFICER: (SENATOR WATSON)

Further discussion? Senator Fawell. On...

SENATOR FAWELL:

Thank you -- thank you very much. You know, we had this discussion in the Appropriations Committee, and the problem is that -- and I -- I've got a lot of these Family-PAC people, believe me, in my district, and I have explained to them, it's got to be done at a local level for the simple reason that there's all kinds of computers out there. There is no way that the State can be responsible for coming up with programs for every single computer in the State and it has to be a local issue and a local expense. It would be -- as fast as the computers are being replaced in the school, there's no way that this can be done at a -- at a State level. And if people don't understand that, then that's their stupidity.

PRESIDING OFFICER: (SENATOR WATSON)

Further discussion? Senator Welch.

SENATOR WELCH:

Thank you, Mr. President. I agree with Senator Demuzio. We shouldn't be receding from this. Let -- you know, I don't think we should rely upon the House to pass something later on. That has never been a good policy and that's not a policy the Senate really has ever followed. But the bill requires that the school board --

the school board is required to provide a program that prevents minors from gaining access -- access to explicit sexual materials. They've got ninety days. If they don't comply, we'll revisit in the fall, but in the meantime, it seems to me to be the wrong message to send to recede from these amendments which were...

PRESIDING OFFICER: (SENATOR WATSON)

Out of the record. We apologize to the Members, but we are now going to go back to Senate Calendar Supplemental No. 2. On page 2 is Senate Bill 1158, under Conference Committee Reports, sponsored by Senator Rauschenberger. Out of the record. Do you -- please read -- do you have on file a conference committee report on Senate Bill 1158?

ACTING SECRETARY HAWKER:

Yes. First Conference Committee Report on Senate Bill 1158.

PRESIDING OFFICER: (SENATOR WATSON)

Senator Rauschenberger.

SENATOR RAUSCHENBERGER:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. For the first time ever I have a conference committee report that I'm not very happy with, and so I appreciate the Chair's patience with me, as I try to decide what I'm doing. We need to roll call vote this, but I would appreciate a Present or a No vote. We think we've got some other corrections that could go into Conference Committee Report No. 2. This deals -- the subject matter here deals with JCAR procedures only. The Member -- the Senate Members of the JCAR Committee are trying to change some procedures. We think we've reached agreement with the Governor's Office, so we'd like -- appreciate voting down this Conference Committee Report so we can file a better one that the Executive

Have all voted who wish? Take the record. On that question, there are 6 voting Yes, 34 voting No, 11 voting Present. The Conference Committee Report is not adopted, and the Secretary shall so inform the House. Senator Karpriel, for what purpose do you rise, ma'am?

SENATOR KARPIEL:

Thank you, Mr. President. I hope everybody is listening to me. There will be a Republican Caucus -- Republican Caucus in Room 212 at 4 o'clock, substantive matter on -- on the budget.

There will be a Republican Caucus in Room 212. Room 212, at 4 o'clock. Senator Demuzio.

We'll want a Democratic Caucus also at -- at 4 o'clock in Senator Jones' Office. And what -- are we postponing Rules from 4:15? Are we going to do that or...

PRESIDING OFFICER: (SENATOR WATSON)

Senator Demuzio, the Rules Committee will still meet at 4:15. We'll stand at ease to the call of the Chair while the caucuses convene.

have Rules, then go to committee and come back. Hopefully, the budget and everything will be ready to go somewhere around noon, 1 o'clock. Hopefully, do that and get out sometime late tomorrow afternoon, hopefully. And the Governor's having a party at one-half hour after we adjourn. Okay? Today. I'm sorry. I'm not sure about the House. After we adjourn. So in other words, a half hour after we -- no, we're not adjourning. We're standing at ease to collect the paperwork from the House. But nobody has to be here. We're not going to vote on anything at all. Yeah, so the Governor's party will start at 6:30. That is correct.
